## Instructions for Senior Rater Profile Record Worksheet

This worksheet is designed to assist senior raters in keeping track of ratings rendered under the new Officer Evaluation System (OERS). This unofficial worksheet mirrors the information found on the DA Form 67-9-2.

Senior raters should maintain a separate worksheet for each grade. Promotable officers serving in positions authorized at the promotable grade will be profiled at the higher grade. Also, under the new OERS, lieutenants are no longer grade group combined. There is a separate profile for First Lieutenants and Second Lieutenants.

This is an unofficial worksheet which may be modified to meet individual needs. Instructions for each column on the worksheet follows:

- NAME. Name of the rated officer
   Type of Report. Change of Rater-CR; Change of Duty-CD; PCS-PCS; Annual-AN; Complete
- the Record-CTR; Senior Rater Option-SO; Relief for Cause-RFC.

  3. Thru date. From the OER.
- 4. Box Checks. The check the SR made on the OER, for the purpose of tracking 3rd and 4th boxes are combined.5. Profile. The senior rater's profile at the time the report is rendered. (Note: per senior rater's
